17. In areas where there are no inspectors or travel to meet with an inspector would be extensive, the owner may submit a video presentation. Videos must be in VHS format and should be approximately 20 minutes long. The dog should be filmed in various situations. An absolute requirement is the dog must be walked in a public place such as a park. Also, there should be some contact with strangers and "hands on" (touching the dog) by people not residing in the same residence of the dog, interaction around children, etc. The fee for video presentations is one fee of \$45.00 payable to the United Kennel Club, Inc. There are no additional fees. Videos will not be returned.

18. When you meet with the inspector be sure to have the application, copy of pedigree (if there is one), proof of registration with a registry acknowledged by UKC, stamped envelope addressed to United Kennel Club, Inc. and two money orders (see #13) to give to the inspector. The inspector will make recommendations and will forward your single application to the United Kennel Club. From there, it will be reviewed by the Single Registration Committee for final approval. Should the application be dismissed, for any reason, you will be notified and all fees returned.

19. The National American Pit Bull Terrier Association will receive the \$10.00 money order for each dog inspected by them. United Kennel Club, Inc. will mail the fees to the National Treasurer when/if the dog is accepted for single registration.

20. United Kennel Club, Inc. has the right to refuse any application. UKC also reserves the right to change any and all rules, fees, etc., without notice, anytime conditions warrant it.
